

Currently a User Experience Architect at Manulife IT Delivery Center Asia

EXPERIENCE

Dec 2025 – Present

Manulife IT Delivery Center Asia / User Experience Architect

Lead designer across multiple concurrent product streams, owning UX architecture, information architecture, and interaction models end to end.

Core contributor to the global internal design system serving 200+ designers worldwide, building and governing shared components so teams ship without rebuilding patterns.

Partner with product, engineering, and business stakeholders to set experience principles across the portfolio.

Jun 2024 – Nov 2025

East West Ageas Insurance / UI-UX Manager

Cut agent task completion from 30 minutes to 5 by replacing form-heavy flows with a guided step-by-step model in the field agent application.

Led and mentored a team of 5 designers, running design reviews as the final quality gate before development handoff.

Set design strategy and aligned research output with business goals.

Feb 2023 – May 2024

AIA Digital + / UX Consultant

Built Qi, a cross-market design system deployed across 18 Asian markets and adopted by the AIA Vitality app and the public customer website.

Shipped 300+ components with complex variant models covering multi-scenario use, multi-script typography, and brand-constrained color.

Architected the Figma file and library structure so new designers onboard and contribute without hand-holding.

Jun 2020 – Feb 2023

Entrego / Lead UI-UX Designer

Built the company's first design system and established the design review process still used to vet work before development.

Led and mentored 3 designers across mobile and web logistics products.

Designed internal operational tools and defined success metrics for design impact.

Apr 2018 – Jun 2020

Contentserv AG / Senior UI-UX Designer

Translated user requirements into design concepts, mockups, and prototypes for enterprise SaaS. Maintained brand consistency across platforms through agile sprints.

May 2017 – Mar 2018

Triple One Technologies / UI-UX Designer

Designed UI elements, mockups, and prototypes for web and mobile products.

Apr 2015 – May 2017

Tri7 Solutions / UI-UX Designer

Produced web and mobile UI designs, plus infographics and marketing collateral.

Oct 2014 – Apr 2015

Mobilepaid / Senior Graphic Designer

Established company branding and the internal design process; owned all design assets.
